4 SETS OF BLINDS

**"Fantastic price and delivered quickly.
Fully recommend."**

Harlow, July 2020

BESPOKE VENTIAN GLOSS BLINDS

"Ryan was brilliant from the very start until the very end of our blind fitting. We were recommended by our neighbours and now know why! We have also recommended him to others and would definitely work with him again. The process was very quick from start to finish (around 4 weeks from initially choosing our blinds to the installation which was reasonable bearing in mind we were in the middle of Covid-19). They have such a versatile and diverse collection to choose from that you'll be spoilt for choice. 10 out of 10 all round! Thanks Ryan!"

OUTSTANDING SERVICE AND SHUTTERS!

"Ryan was super professional and helpful, nothing was ever an issue. I was given regular updates on my shutters from the day we ordered. My shutters look perfect. Will definitely be recommending the company to family and friends!"
